### 2022: Love Calls Us On: Faith, Religion, and Reparations.

On-Demand Workshop. We discuss how our liberal faith demands we champion Reparations and repair the damage caused by an American system that condoned slavery and continues to de-value the descendants of the enslaved. We use an historical and multi-faith lens to describe what congregations can do to work toward repair.

Featuring Connie Simon, Bruce Pollack-Johnson, and UUJEC board members Carl McCargo and Jane Bannor. [https://vimeo.com/717875590/1e924f963e?embedded=true&source=vimeo\\_logo&owner=87370104](https://vimeo.com/717875590/1e924f963e?embedded=true&source=vimeo_logo&owner=87370104)

### 2021: Reparations: Rooted in Repair

Live workshop (virtual): The doctrine of discovery removed African peoples from their lands, their culture & nationhood and from the cover of GOD. Learn about the five major areas of injuries and strategies for repair of damages wrought by African Chattel Slavery. In this presentation, we expound on those injury areas and discuss local, state and national strategies, including N'COBRA, to repair individuals and culture and reshape institutions that financed the chattel slavery institutions.

Featuring Ari Merretazon, Woullard Lett, and UUJEC board members Carl McCargo and Jane Bannor. <https://vimeo.com/showcase/8723073/video/568620685>

### January 2021: Healing from Hate

*Healing From Hate* examines the root causes of hate group activity through the bold work of those battling intolerance on the front lines, including "Life After Hate", an organization founded by former Skinheads and neo-Nazis, now engaged in transforming attitudes of intolerance, and groundbreaking sociologist Michael Kimmel (author, *Angry White Men*, *Healing From Hate*). Documenting a stunning year of hatred in America, *Healing From Hate* follows these reformers in their work to de-radicalize White Nationalists, and heal communities torn apart by racism — a deep dig into what's needed to return meaning, identity and tolerance to a generation of disenfranchised white men. <https://www.youtube.com/watch?v=awxuONpoI4w&t=145s>

*"We are operating as human beings from one of two places:  
fear of love.*

*And we get to choose which one that is.'*
