

## UUs for a Just Economic Community Seeks Board Members

The UUJEC Board is soliciting nominations to be on our board for a three year, renewable term beginning in January, 2020. Are you interested? Do you know someone who would be a good fit?

We meet every month for a conference call, currently on second Monday of the month at 6:00 pm eastern time, for about an hour; and meet for a couple days retreat before or following GA for strategic planning for the upcoming year. Depending on which committee/committees you serve on, there could be a few more hours a month. We've not made plans yet for our retreat in June 2020's General Assembly in Providence, RI.

The board is made up of UUs from a wide geographical distribution and with dedication to economic justice. We plan programs for GA and hold topical conferences—we are planning a conference in Washington DC for spring 2021. We'll work in coalition with UUSJ, a national action network, lobbying Congress. After next fall's election, we'll have a better idea of what we can and should do in Washington, DC.

In the past, we have developed curricula for Congregational Study Action Issues on Economic Inequality and the Corruption of Our Democracy. We also developed a curriculum on complexities of healthcare in the US. A full list of board duties is available:

We are a “working board” so board members serve on committees and action task forces, write curriculum, contribute to our e-newsletter and our web page, [www.uujec.com](http://www.uujec.com), staff our booth at GA, and help with fund raising.

Interested or have questions? please contact us via email at [election@uujec.com](mailto:election@uujec.com). We will present a slate for our members after the election, so please let us know of your interest, as soon as possible.

Thanks!
