

Dear Members and Friends of UUJEC,*

The Nominating Committee of UUJEC is soliciting nominations of people to serve on the UUJEC Board of Directors. We hope you will consider this opportunity yourself or nominate someone you think would be a valuable addition.

Our Board meets monthly by conference call that's usually an hour, with a preparatory Executive Team meeting a week earlier. In addition, there is usually a planning retreat right in the vicinity of GA each year, and our annual meeting has been in mid-July for the past couple of years. In years when we hold a national conference, a meeting may be held there as well.

Ours is a "working board"—responsibilities between meetings include putting out mailings, preparing for General Assembly programs and our monthly Webinar series, writing economic justice curricula for congregational use, writing grant proposals, staffing booths at GA and other UU meetings, etc.

Serving on our board is a great way to connect with other social justice activist UUs from across the continent and to keep our Association attentive to current issues and proactive in working for systemic change toward economic justice. The term is for three years. We welcome all applicants especially those who can help us reach, aid, lobby, and legislate for communities most challenged by economic injustice and climate crisis.

If you are motivated to join us, please send a letter of interest and résumé of your work for justice to uujec@uujec.org. Alternatively, feel free to forward this to someone you think might be interested. Please respond by October 10. A ballot will be sent to our active members by October 31. The results of the election will be announced by December 1. Terms begin on January 1.

Thanks for your ongoing support for UUJEC.
