Chuck Collins: "For the last couple months, I've been part of the team preparing the "Pandora Papers" (because of "The Wealth Hoarders" book)

My role has been to brief foreign reporters in advance about the US system of dynasty trusts and anonymous shell companies.

I talked with courageous journalists in Mexico, Brazil, France, Denmark, Argentina, Spain, UK and other places –and I'm interviewed in these stories

( mostly not in English. Including El Pais (Spain), The Guardian (UK), Metropoles (Brazil) Infobae (Argentina), Am (Mexico), Politiken (Denmark), and dozens more.)

Anyway, thought you'd like to know. It's one of the more exciting things I've been part of."
