

September Conference on Climate Justice
Farming for our Future: Systemic Changes for the Climate Crisis
*A UU Advocacy Conference for Healthy Soil, Food, and
Communities*

Why focus on Farming: today's technology can remove 178 BILLION tons of CO₂ and reduce CO₂ levels in the atmosphere by 157 ppm--enough to get us back to pre-industrial levels. This is really the only way to get where we need to go.

Save the dates: September 26, 27 & 28
Washington, DC

Whether or not you are coming, UUs for Social Justice will have a "Write Here, Write Now" campaign so please write your Senators.

UU Ministry for the Earth is partnering, too--
-so you know this is going to be good!
